Ayala Brut Majeur

Champagne, France

Ayala has been owned by Bollinger since 2005 & their Chardonnay led style exemplifies modernity. Light gold in colour, with a delicate mousse. The nose unveils expressive notes of citrus, florals & white fruits.

Ayala Rose Majeur

Champagne, France

Delicate & tangy, light, frothy mousse. Ayala is one of the only large houses to produce a Chardonnay dominated Rose. This wine therefore displays characteristics of grapefruit & blood orange.

Teas

English Breakfast (Black)

Robust and flavourful Golden Broken Orange Pekoe from Sri Lanka. A delicious take on an everyday blend. (Decaffeinated English Breakfast available)

Earl Grey (Black)

A blend of Ceylon and Calabrian bergamot oil. A true citrus explosion.

Assam (Black)

A small farm that is close to our hearts due to the profile of the teas that it produces (Khongea). Rich, Malty, Sweet - all the characteristics that you would expect from a good quality Assam.

Russian Caravan (Black)

A delightful blend of a smoked Chinese (Lapsang) and a mellow, naturally smoky tea (Keemun). Named after the journey that teas used to take from the East to the West - and the aroma imparted onto the leaves during the fires lit when the traders used to set up camp for the evenings.

Decaffeinated Breakfast (Black)

All the flavour and aroma of a traditional cup of black tea, without the caffeine. Delicious with or without milk.

Jasmine (Green)

Green tea from Fujian province traditionally scented with fresh jasmine blossoms. Due to this process, green tea absorbs the natural essence from jasmine and imparts a sweet and soothing fragrance in every cup.

White Peach Blossom (White)

White teas hand blended with the natural essences of succulent peaches & tangerines. The flavour of sweet peaches is well balanced with accents of fresh citrus & white tea character.

Ginger and Lime (Rooibos)

It's sweet. It's tangy. It's fragrant. An energising blend, made with Green Rooibos, ginger, lemongrass, lemon myrtle, liquorice and essential oils is bound to pick you up, no caffeine needed. A great immunity boost.

Peppermint Leaf

Peppermint is proven to be calming and soothing to the digestive system. It gives a naturally caffeine-free, refreshing minty infusion

Hibiscus Berry (Herbal)

Luscious currants & delicious forest berries complement this fruity & balanced blend with a wonderful scarlet red infusion that refreshes & rejuvenates. (Caffeine free herbal)

Elderflower

This delicate elderflower infusion takes you back to spring and summer with this light and fragrant infusion. Anecdotaly used to relieve symptoms of hay fever and colds.

Chamomile

A caffeine-free golden infusion with a sweet blossom fragrance. Cherished for its calming properties and typically drunk in the afternoon and early evening to unwind at the end of the day
